

Changed Ownership of North German Representative

The ownership of our representative for the northern part of Germany, ICT GmbH, was transferred from Ralf Tetzner to Michael Kottenstede. Due to this transfer the name of the company was slightly changed into ICT-Prozesstechnik GmbH. Under the management of Mr. Michael Kottenstede the „new“ ICT-Prozesstechnik GmbH will continue providing a professional service for consulting and sales as well as start-up and maintenance of SIGIRST-products in the business fields potable water, beverages, tunnel, emissions and process.

For more than 30 years this company successful represents SIGRIST-PHOTOMETER in all aspects in the north of Germany. With its enormous experience and large sales the company therefore greatly contributes to the outstanding image of SIGRIST.
